

FOX5 SUPERBUILD FOR HABITAT FOR HUMANITY LAS VEGAS

2021/2022, FOX 5 News Las Vegas

Everybody deserves a safe place to live and play. That's the motivation behind FOX5s Super Build.

By working with Habitat for Humanity Las Vegas, FOX5 and our community partners will provide a brand new home for a local veteran.

This 2021 – 2022 build is made possible through our proud partners; Las Vegas Raiders, Barclays US Bank, Copper Creek Construction, Forte Specialty Contractors, Goodwill, Home Depot Foundation,

Kinross Nevada, Les Olson Company, Palm Mortuaries, PENTA Building Group and Southern Nevada Toyota Dealers.

For 26 weeks starting this Fall, we will build the house from the ground up plus learn about our deserving veteran family. Then in Spring 2022, we will hand over the keys, truly making the house a home!
